GOVERNMENT OF KERALA

No:P1A/51/2021/H&FWD
Health & Family Welfare (P) Department
Thiruvananthapuram,
Dated:25/03/2021

CIRCULAR

Sub: H&FWD- Making usage of eHealth software mandatory in all
Health institutions -reg
Ref: D.O.No.53/2020/Admin dated 15.12.2020 from the Project
Director, eHealth Kerala

As per the letter cited in the reference, it has been brought to the notice of the Government that the usage status of e-health application reveals a sudden fall in recent times and that the infrastructure is not properly utilised. The eHealth Kerala has been introduced to encourage paperless transaction for increasing efficiency in hospital management. Adequate training on the software and hardware were also provided to all end users. But no patient entry in the application is noted in many e-Health Institutions.

In the circumstances, it is directed that it is mandatory for all to use e-health application, wherever it is implemented. Director of Health Services and Director of Medical Education should ensure the use of eHealth application and take appropriate actions at their level.

**RAJAN NAMDEV KHOBRADE,
PRINCIPAL SECRETARY TO GOVERNMENT
HEALTH & FAMILY WEFALRE DEPARTMENT**
