Sub:- H&FWD – Health Activities in the Grama Panchayath – responsibility entrusted to Second Senior Most Medical Officer in the Block Primary Health Centers - Instructions issued.

The Community Health Center is headed by the senior most Medical Officer who is also the Technical Head of Health Services in the Block Panchayat. The Block Primary Health Center also provides the function of a PHC to the Grama Panchayath where it is located. Since the Medical Officer in charge in Community Health Centre is the Technical Examiner for the projects prepared by the Grama Panchayat, he cannot be the Head of the Headquarters, PHC of Grama Panchayats. In this circumstance it is instructed that the second senior most Medical Officer in the Block Primary Health Center is responsible for Health Activities in the Grama Panchayat where the Block Office is Headquartered.
