

PROCEEDINGS OF THE DIRECTOR OF HEALTH SERVICE
THIRUVANANTHAPURAM

Sub : Estt.HSD:-Madalapooja-Makaravilakku pilgrimage 2016-17 posting of Field staff revised order issued:-

Ref: 1.Revised note received from the M.S.Sandhya, Asisitant Director (Filaria) dtd; 19.10.16

OEDER No PH5.51207/ 2016/ DHS dated : 26.10.16

Sabarimala pilgrimage season commences from 15.11.16 and is expected to end by 21st January 2017. There will be large scale influx of pilgrims from other state during the season. It is likely that there may be parasitic carriers among the pilgrims. It is necessary to undertake regular mosquito control operations to prevent the transmission of vector borne diseases. Therefore field workers from DVC Units are to be deputed to Pamba Sannidhanam and Nilakkal for mosquito control activities. The details of the staff to be deputed are furnished below.

Name of DVC Units	Field Worker	Period of deputation
Kollam	6	15-11-16 to 29-11-2016
Kottayam	3	29-11-2016 to 13-12-2016
Idukki	3	
Alappuzha	6	13-12-2016 to 27-12-2016
Ernakulam	6	27-12-2016 to 10-01-2017
Thiruvananthapuram	6	10-01-2017 to 21-01-2017

The field worker (two each), will be deputed to Sannidhanam and Pamba and Nilakkal. Only the trained Field Workers shall be deputed. The deputed staff will be directed to report before the Nodal Officer at Pamba and completely under the control of DMO(H) PTA/Nodal officer pamba. TA/DA of the deputed staff may be met from Sabarimala Fund.

The mosquito control activities of the Field staffs will be supervised by the Health Supervisor/Health Inspectors in Pamba Sannidhanam and Nilakkal.

The DMO (H) Pathanamthitta will report the joining of the deputed staff to this Directorate promptly.

The Biologists of District Vector Control Units Pathanamthitta and Kottayam will be in charge of the anti-mosquito activities in Sabarimala and Erumeli respectively.
