No.MSA2-66620/17/DHS

Dated : 23/8/2017

From

The Director of Health Services

To

The District Medical Officer (Health)  
Thiruvananthapuram/Kollam/Pathanamthitta/ Alappuzha/ Kottayam/ Idukki/  
Ernakulam/ Thrissur/Palakkad/Malappuram/Kozhikode/ Kannur/ Wayanad/Kasaragod.

Sir,

Sub:- Annual Indent of equipment/machinery for the year 2018-19  
**Direction to provide Infrastructure** etc,-reg

Ref: Circular No.MSP3-76984/13/DHS dated 3.2.2014

- a) Many of the Institution had indented X-Ray Machine, CT Scanner, Power Laundry, Autoclave during 2017-18. But majority of them are not having required infrastructure.

Power availability is one of the major constraints for the installation & commissioning of the above machine. Certificate produced by the hospitals during 2017-18 are **not tallying with required power** of each type of machine.

Hence Direction may be given to the institutions to take **early steps** to obtain following certificates for the required machine.

1. Power availability certificate from KSEB for X-ray, CT Scanner, Power Laundry, Autoclave
2. Site approval certificate from DRS(only for x-ray machine)
3. For all other machines, Site approval certificate from Bio Medical Engineer of National Health Mission  
(Certificates should be submitted by the institution at the time of furnishing the indent of 2018-19)

b) **Idling Equipments**

Attention is invited to the **above cited circular**.

In every year, when the Department invite Annual Indent, Direction was also being given to report the Idling Equipment to District Medical Officer.

Based on the indent of other Institution, Idling equipment can be easily transferred to the needy institution within the District.

It is seen from the various inspection/enquiry report that, there are lot of idling Equipments in the hospitals, without reporting to Higher authorities.

Hence all the institution may be directed to prepare the list of idling equipment well **in advance** under the following Head.

- 1) General Supply
- 2) NHM Supply
- 3) Blood Bank Equipments

(Idling equipment list should be submitted by the institution at the time of furnishing the indent of 2018-19)

Based on the current year report of Idling Equipment, Direction was already given to the concerned Institution to transfer the Idling Equipment. Head of the Institution should be personally responsible for transferring such equipment. District Medical Officer should also ensure it.

c) Notification for inviting Annual Indent will be released **soon**.

Yours faithfully,

Sd/-

For Director of Health Services

Encl:

- 1) Copy of the circular
- 2) Specification
- 3) Annexure(List of equipment **being supplied** based on the indent of 2015-16 and 2017-18, those institution need not furnish any certificates)
