Sub:- Advisory to RCH officers regarding immunization – post flood activities – revised

Ref:— Decisions of STAGI Meeting dated 20.08.2018.

The communication sent to RCH officers regarding the same on 21-08-2018 is modified as follows

- Unimmunized children from 6 month to 5 yrs of age shall be vaccinated with MR vaccine and the children vaccinated from 6 month to 9 months with MR is taken as MR-Zero dose and routine immunization to be continued as per guidelines. This is applicable to the children in the flood relief camps only.
- MR vaccination shall be provided to the children who are not vaccinated during MR campaign or thereafter.
- Routine immunization shall be strengthened and measures to improve the vaccination coverage in view of possible outbreaks of vaccine preventable diseases.
- Emergency AEFI management kit shall be made available at all the vaccination sites.

For Additional Director of Health Services (FW)
