Appeal to Public

Any person with travel history to COVID19 affected countries or person with contact with such a traveler, whether they are having symptoms or not, must remain in home isolation. Avoid social greetings by touching, like hugs or handshake. Don't touch your face, nose and eyes. Use handkerchief while coughing/sneezing. Use masks, only if you are taking a care of a person with suspected COVID-19 infection, or if you have symptoms. Healthy persons are not supposed to wear medical masks. Those who are wearing masks should know how to use and dispose it properly. N95 masks should not be worn by the public.

The Department of Health and Family welfare calls out for participation of the health practitioners to join hands with the state in the fight against COVID-19. You may enroll using the link provided below for offering voluntary service at the Isolation facilities in hospitals/ homes, patient management in wards, screening at airports, seaports, railway stations and bus stations. Interested health practitioners may fill up the details in this form and submit. The Department of health and family welfare, Kerala shall contact you soon.

Date:22/03/2020

WHO has declared the COVID-19 epidemic affecting **184** countries as a Pandemic. Due to the inflow of persons from affected countries, Kerala state has strengthened the surveillance and control measures against the disease.

Home/Hospital Isolation

- **59295** persons are placed under surveillance, out of which **58981** are under home isolation and **314** are admitted in designated isolation facilities.

Sample Testing

- Till date **4035** samples of suspect cases have been sent for testing out of which **2744** came as negative.

Test Results

- Total confirmed cases till yesterday was 52 of which 49 are under treatment.
- 15 more persons have been tested positive; out of which two persons in Ernakulam, two persons in Malappuram, two persons in Kozhikode, four persons in Kannur and five persons in Kasaragod.

Advisory

- In the background of the present COVID-19 outbreak, the general public is advised to adhere to health advisories issued by the State Government. Public should follow the cough etiquette by covering the nose and mouth using handkerchief/towel while sneezing/coughing. Do frequent hand washing with soap and water. Those who have arrived from the COVID-19 affected countries should remain under strict home isolation.

Complimentary Activities

- **80** training videos has been prepared so far for training of Staff of Health Department and other line departments. The videos have been disseminated through the “Kerala Health Online Training” YouTube channel of the Directorate of Health Services (<https://www.youtube.com/c/keralahealthonlinetraining>).
- Single window communication channel established with all district control rooms for high priority communications, headed at the state by state control room. Automated data capturing formats for real time data capturing from districts established.
- Human resource management teams have been constituted at the state and district levels. Adequate HR has been ensured for isolation, airport surveillance, transport, isolation services, contact tracing and call centre
- Adequate infrastructure facilities ensured at all designated isolation facilities.
- For providing psychosocial support to the families of suspected persons **252** persons have been deployed across the state. **26098** tele counselling services were provided till date.
- In order to strengthen the services provided by the State Call centre, three additional lines have been provided which brings the call centre capacity to a total of six lines.
- Home isolation ensured with the help of squads including health staff, police and volunteers.

- Covid care centres established for taking care of those who have no residence in Kerala.
