

**nCorona Virus Outbreak Control and Prevention State Cell**  
**Health & Family Welfare Department**  
**Government of Kerala**

---

**SUB: nCorona – Health advisory for Tourism Department –**  
**dated 5th Feb 2020**

1. A **register** of all travellers with phone and email IDs, both foreign and Indian nationals **arriving or transited through WUHAN / China or any corona affected country#**, (as the disease evolves) and checking in or staying in Hotel/resort/ homestay/lodges etc should be maintained by the owners.
2. Details of travelers both foreign and Indian nationals, with history of travel to **WUHAN** after **15th January 2020**, even if asymptomatic have to be communicated immediately to the District Medical Officer and all such persons have to be **immediately tested for novel Corona virus** and kept in **isolation for a period of 28 days** from the date of arrival. Those without symptoms should be isolated in their current place of stay ( Hotel/resort/ homestay/lodges etc) for a period of 28 days starting from date of arrival in Kerala. ( Isolation should be strictly followed. Swimming pools, restaurants, gyms and business centres in the hotel/resorts etc should not be accessed by these travellers.) Food and refreshments shall be provided to their place of isolation. Secluded cottage type accommodation is preferred.
3. A register of all travelers with phone and email ID, both foreign and Indian nationals, coming to Kerala from **CHINA other than WUHAN after 15 January 2020**, should be maintained in the hotel / resort / home stays / lodges etc. The list of such travelers should be informed to the District Medical Officer. The DMO shall contact these travelers and initiate surveillance. All the travellers included in this register shall be in isolation in their current place of stay( Hotel/resort/ homestay/lodges etc) for a period of 28 days starting from date of arrival in Kerala. In case the person develops symptoms, the patient has to be transported to the designated corona treatment facility

within the district (list of hospitals are attached@). (Swimming pools, restaurants, gyms and business centres in the hotel/resorts etc should not be accessed by these travellers.) Food and refreshments shall be provided to their place of isolation. Secluded cottage type accommodation is preferred.

4. A separate list of travelers (foreign or Indian national) with history of travel to **corona affected countries# other than China** after 15th January 2020 staying in hotels / resorts / home stays / lodges should be maintained. If the traveler has come from a city/ locality / province/county of the affected country where corona infected cases have been reported, the details should be reported to the District Medical Office and brought under the surveillance.
5. Any staff or other guests with no symptoms but with history of **close contact\*** with confirmed **corona confirmed traveller** or **WUHAN returnee** or **SYMPTOMATIC China returnee** after 15th January 2020, should be kept in isolation for a period of 28 days. If symptoms develop the same should be communicated to the District Medical office.
6. Staff should maintain personal hygiene and interact with travelers with a minimum distance of 6 feet. Every hotel should have facility (rooms) to isolate suspected guests and staff and adequate supply of triple layer masks and hand sanitisers.
7. Rooms used by the guests with symptoms should be disinfected with commercial lysol / ecoshield / silvox etc. Linen used by symptomatic travelers should be disinfected with 0.5% bleach solution. (3 tea spoon (15grams) bleaching powder in 1 litre water prepared adequately)
8. Travelers are advised to observe cough etiquette/ respiratory hygiene, avoid contact with symptomatic persons. Practice frequent hand washing with soap and water or hand sanitizer. They are also advised to avoid large community/social gatherings.
9. Drivers engaged in transportation of symptomatic guests should wear triple layer mask and avoid air conditioning. Vehicle should be sanitized with lysol / ecoshield / silvox etc after transporting the symptomatic guests.
10. Multi-language "dos" and "dont's" leaflets with Helpline Numbers should be given to all travelers and also hospitality staff.

#- Daily updated list of corona affected countries are available on the World Health Organization Website: [www.WHO.int](http://www.WHO.int)

@- List of designated hospitals in Kerala state.

11. Tourism Department may conduct a meeting with Resort, Hotels, Restaurant associations and groups to do capacity building. They may have a cell at their department to facilitate the activities as per the guidelines.

\* Close Contact: Reference: nCorona guidelines: Ministry of Health and Family Welfare, Govt. of Kerala, 26 January, 2020.

**Definition of a Close Contact:**

1. Health care associated exposure, including providing direct care for nCoV patients, working with health care workers infected with novel coronavirus, visiting patients or staying in the same close environment as a nCoV patient.
  2. Working together in close proximity or sharing the same classroom environment with a nCoV patient
  3. Traveling together with a nCoV patient in any kind of conveyance
  4. Living in the same household as a nCoV patient
- The epidemiological link may have occurred within a 14-day period before or after the onset of illness in the case under consideration.
