DAILY REPORTING FORMAT OF PERIPHERAL INSTITUTIONS

(PHC/FHC, CHC, TALUK HOSPITALS)

<table>
<thead>
<tr>
<th>Date</th>
<th>Name of the institution</th>
<th>Total no of cases for which treatment given</th>
<th>Total no of cases referred</th>
</tr>
</thead>
</table>

- Asha, Anganwadi and Kudumbasree workers should be given awareness regarding withdrawal symptoms in persons taking alcohol regularly.
- Asha workers and Health Workers should promptly refer cases of alcohol withdrawal to the Medical Officer of the concerned institution. They should also create awareness among general public.
- Medical officers can manage the patients as per the guidelines provided.
- Daily report in the prescribed format should be sent to DMHP and Control Room Mail IDs before 10.30 am. The remaining data of the day can be sent in the next day’s report.
