9 This Office Notice No.ES2-40318/12/DHS dated 11/11/2013.

Order No.ES2-40318/12/DHS Dated : 7/01/2014

The Final seniority list of LD Clerks during the periods 1986-90, 1990-93, 1994-97, 1997-02, 2003-08 were published vide papers read as 1st to 5th above respectively.

The seniority list of UD Clerks, who were promoted during the period from 2000 to 2012, is being prepared at present. On verification of the service particulars of the promotees for the above purpose, it is noticed that the rank no of 28 incumbents who obtained Inter District Transfer in the entry cadre were not lowered in the seniority list of LD Clerk and they were also seen promoted to the cadre of UD Clerk on the basis of this wrong seniority position.

As per the GOs read as 6th and 7th above, the seniority of an incumbent who obtained Inter District Transfer to other districts than from the recruited district will lose his / her seniority. An incumbent who is appointed as LD Clerk as per advice of PSC through District Recruitment Board shall entitle to get IDT without losing seniority, only after promotion to the cadre of UD Clerk. In all other cases of IDT, the incumbent shall lose the seniority and will be the junior most in the transferred district. They are eligible to reckon their seniority only with effect from the date of joining duty in the transferred district.

In this circumstance, it was provisionally decided to reassign the rank No of the 28 incumbents, who obtained IDT to other districts than from the recruited district in the entry cadre vide paper read as 9th above seeking appeals. Appeals received in this regard have been examined in detail and the officers attended for personal hearing on 26/11/2013 were also heard by the undersigned. On scrutiny it is found that the appeals deserve no merit as per the existing rules.

Accordingly, provisional decision to reassign the rank No of officers mentioned in the Notice is finalised and the details are shown in **Annexure A**.

The Seniority list of LD Clerks vide paper read as 1 to 5 above is modified to this extent.
