Dedicated to People under Home isolation

We thank all those who are under home isolation complying to our directions. Based on the present scenario, the guidelines for home and hospital isolation have been revised and persons should be discharged from home/hospital isolation as per the guidelines attached. As per the revised guidelines **130** persons have been released from home isolation today.

Date: 14/02/2020

WHO has declared the recent Novel Corona Virus (2019-nCoV) epidemic affecting **25** countries as International Public Health Emergency of International Concern. In this context, Kerala state has strengthened the surveillance and control measures against the disease. Till date, **2288** persons are placed under surveillance, out of which **2272** are under home isolation and **16** are admitted in designated isolation facilities. Till date **408** Samples of suspect cases have been sent to National Institute of Virology for testing out of which results of **379** samples came as negative. The health status of all students who were tested positive for Corona Virus remain satisfactory. The hospital authorities have confirmed that the health condition of all symptomatic persons under isolation in hospitals are stable. In the background of the present nCorona Virus outbreak, the general public is advised to adhere to health advisories issued by the State Government. Public should follow the cough etiquette by covering the nose and mouth using handkerchief/towel while sneezing/coughing. Do frequent handwashing with soap and water. Those who have arrived from the corona affected countries should remain under strict home isolation as per the latest guidelines issued on 11/02/2020.

Complimentary Activities

- Education department has done extensive training to students with the support of teachers. The PTA has also extended support in coordinating the activities.
- **43** training videos has been prepared so far for training of Staff of Health Department and other line departments. The videos have been disseminated

through the “Kerala Health Online Training” YouTube channel of the Directorate of Health Services (<https://www.youtube.com/c/keralahealthonlinetraining>).

- Single window communication channel established with all district control rooms for high priority communications, headed at the state by state control room. Automated data capturing formats for real time data capturing from districts established.
- Human resource management teams have been constituted at the state and district levels. Adequate HR has been ensured for isolation, airport surveillance, transport, isolation services, contact tracing and call centre
- Adequate infrastructure facilities ensured at all designated isolation facilities.
- For providing psychosocial support to the families of suspected persons **215** persons have been deployed across the state. **3619** tele counselling services were provided till date.
