Dated, Thiruvananthapuram, 28.01.2012

Read : Letter. No. PLB1-256/2011/DHS dated 09.01.2012 from the Director of Health Services.

ORDER

In the letter read above, the Director of Health Services has forwarded a proposal for deployment of Staff Nurses in order to revise the Staff pattern of Primary Health Centres and Community Health Centres. The idling Staff Nurses of certain Primary Health Centres and Community Health Centres having no IP facilities are to be deployed to needy institutions as many major and some minor health centres are facing problems due to the acute shortage of staff. Hence, the Director of Health Services in the letter cited above has identified certain posts in the cadre of Staff Nurse from Primary Health Centres and Community Health Centres without IP wards and requested to deploy that Staff Nurses to other institutions.

2. Government have examined the matter in detail and are pleased to deploy the Staff Nurses to the stations as detailed in Annexure to this G.O so as to improve better health care and quality services especially for under privileged and marginalized groups.
