Order No.EA2-9330/2025/DHS Dated:31-05-2025

As per the order read as 1st paper above, the General Transfer 2025 in respect of Assistant Surgeons were ordered. Subsequently in the order read as 2nd paper above direction was given to the controlling officers to relieve and permit to join the medical officers included in the transfer list 2025 without awaiting the joining of substitutes. The District Medical Officers of Health concerned were also instructed to ensure that the transferred Medical Officers are joined in their new stations within 15 days from the date of the said order. It was also directed that no salary shall be drawn or disbursed to those who continue in their current station in violation of the transfer order.

2. Now the District Medical Officer of Health, Kasaragod in his letter read as 3rd paper above has reported that altogether 22 Medical Officers are included in the final list of general transfer 2025 of Assistant Surgeons from Kasaragod District and most of them are presently

holding the Medical Officers in charge and their relieving from the present institutions would adversely affect the Monsoon Preventive Activities of the district. The District Medical Officer (Health), Kasaragod has requested either to retain the said Medical Officers till the arrival of their substitutes or to extend their relieving period for a period of one month.

3. The above report has been examined in detail. At present there are several vacancies existing in the cadre of Assistant Surgeons in Kasaragod District. The immediate relieving of the Medical Officers included in the General Transfer Order from PHC Udumbanthala, PHC Vorkady, and CHC Bedadka would adversely affect the smooth functioning and Monsoon Preventive Activities of these institutions.

4. Therefore, it is hereby directed that the Medical Officers included in the General Transfer Order from **PHC Udumbanthala, PHC Vorkady, and CHC Bedadka** shall be relieved only after the joining of substitutes or after one month from the date of the order read as 2nd paper above, whichever is earlier.

5. The order read as 2nd paper above is hereby modified to this extent.
