As per the order read as 1st paper above, the General Transfer 2025 in respect of Assistant Surgeons were ordered. Subsequently in the order read as 2nd paper above direction was given to the controlling officers to relieve and permit to join the medical officers included in the transfer list 2025 without awaiting the joining of substitutes.The District Medical Officers of Health concerned were also instructed to ensure that the transferred Medical Officers are joined in their new stations within 15 days from the date of the said order. It was also directed that no salary shall be drawn or disbursed to those who continue in their current station in violation of the transfer order.

As per the order read 3rd above an instruction has been given to "the Medical Officers included in the General Transfer Order from PHC Udumbanthala, PHC Vorkady and CHC Bedadka shall be relieved only after the joining of substitutes or after one month from the date of the order read as 2nd paper above whichever is earlier".Now the District Medical Officer of Health,Kasaragod in his letter read as 4th paper above has reported that no substitutes have joined at CHC Bedadka as of now and reliving of Medical officers included in General Transfer

from the CHC Bedadka would adversely affect the smooth functioning of that Institution. The District Medical Officer (Health), Kasaragod has requested either to retain the said Medical Officers till the arrival of their substitutes or to extend their relieving period till the end of August 2025.
